Out of School Time Network Launches...

As part of our efforts to ensure students and families have access to a variety of programs and opportunities...

Initial community mapping was performed by students of Project Management CST B205 at Manchester Community College. Special thanks to Candace Figueroa, Ted Brown, Brian Currie, Professor Susan Barzottini, and Manchester Community College's Information Management and Technology Department.

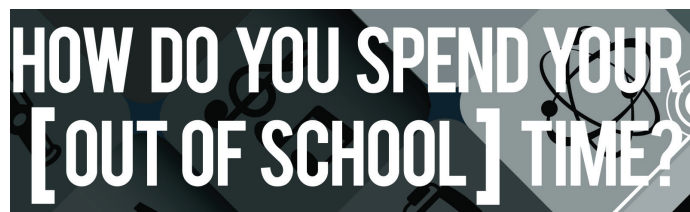

the Manchester Public Schools partnered with the Office of Neighborhoods and Families to support the development of an Out-of-School-Time Providers Director. While the first version of the directory is available in print and web versions, the ultimate goal is to provide an Out-of-School-Time web-based platform that
